Show us how you keep your smile healthy!

ENTER THE KANSAS DENTAL ASSOCIATION'S

CLASS PROJECT CONTEST

THIRD GRADE TEACHERS: You can promote dental health and win!

Brush your teeth with fluoride toothpaste and clean between your teeth for a healthy smile!

Help your students create a class project depicting this theme for a chance to win a **$100, $250,** or even **$500 gift card** to buy supplies for your classroom!

- BE CREATIVE! Integrate art, technology, science, music, PE, or any of your other favorite subjects to show us how you're promoting good dental health practices in the **THIRD GRADE** classroom! Feel free to include other school staff.
- BE BOLD! Make a video production, slide show, poster board, art project, etc. Send your submission to the KDA by mail or email (kylie@ksdental.org) by **Monday, March 19, 2018**. *Please limit submissions to 3 minutes in length*.
- BE YOU! Your creativity will be on display on the KDA web site and social media pages! Visit ksdental.org for contest updates, and don't forget to add us on Facebook and Twitter!
