

The Shape of All Payments

Monterey Bay

Dental Society

**Monterey Bay Dental Society and Rectangle Health** have entered into a business relationship to provide your practice a full-service processing solution that can save you time and money.

Rectangle Health has over 25 years of experience providing secure and compliant healthcare payment technology solutions. They recognize you need a credit card processing company that truly cares about your practice and provides the tools necessary to help you get paid, while preserving and enhancing your relationship with your patients. Benefits include:

### Increased Patient Payments

Assure payment for outstanding balances with our proprietary healthcare forms.

### Integration with ANY Dental Software

Real time posting plus **next day** settlement for all credit card transactions.

### Frictionless Patient Payment Experience

A variety of payment options for your office and website: recurring payments; online payments; text/email to pay; save card on file securely; patient registration

### Reduced Costs

Lower processing fees, NO sign up cost, NO cancellation fees. NO risk

### Reduced Liability Concerns

Patient cardholder information securely stored within our PCI-Compliant data storage vault.

# Easy, Convenient Healthcare Payments

## Practice Management Bridge®

- Eliminates manual posting for a seamless process.
- Incorporated into any health information system.
- Saves you and your patients time.
- Electronic signature capture that lets you securely store patient signatures for future payments.
- One integrated system that allows you to track, manage, report and reconcile payment information.
- Pay at point of service, kiosk, text to pay, and patient portal.
- Information is all integrated into our trusted, secure system.
- Leverage across all of your locations.

## Benefits for **Monterey Bay Dental Society** Members

### Our Guarantee

We will beat any valid, written offer or you may cancel our program at no cost. We can support your negotiated rate with Rectangle Health for the time you're a client, excluding associated rates and fees controlled by Mastercard/Visa.
