ADVANCE YOUR CLINICAL DECISION MAKING RESOURCES FROM LEADERS IN SCIENCE AND RESEARCH

ADA clinical resources make the lives of ADA members easier, giving them more time to focus on what's most important: patient care. Find the answers you need to make every visit a seamless experience for you and your patient.

Cutting-Edge Research

The ADA Science and Research Institute, LLC conducts some of the leading laboratory research in dentistry and provides access to the latest scientific information, including clinical practice guidelines.

[ADA.org/SRI](https://ada.org/SRI)

Oral Health Topics

What's the most recent guidance on antibiotic prophylaxis before dental procedures? How should you treat your pregnant patients? Find the answers to these questions and more in the Oral Health Topics.

[ADA.org/OHT](https://ada.org/OHT)

ADA Seal of Acceptance

Help patients achieve their best home care by recommending safe and effective products to fit your patients' needs. Download a complimentary Chairside Guide today.

[ADA.org/Seal](https://ada.org/Seal)

The Journal of the American Dental Association

ADA members get full access to research published in JADA, the most-read scientific journal in dentistry, and JADA Foundational Science, ADA's open-access journal focusing on basic and applied sciences in oral health.

[ADA.org/JADA](https://ada.org/JADA)

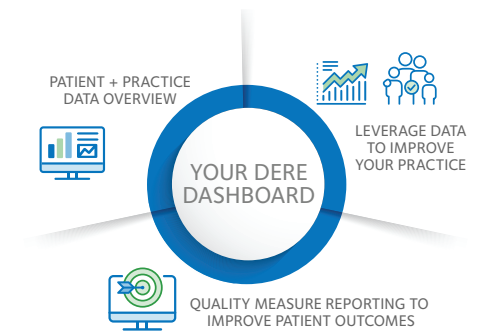

[ADA.org/JADAFS](https://ada.org/JADAFS)

PracticeUpdate Clinical Dentistry

Sign up for free access to the newest and best clinical dentistry content, curated by an editorial board of leading experts to provide a holistic view of oral health and bridge dentistry with the rest of health care.

[ADA.org/PracticeUpdate](https://ada.org/PracticeUpdate)

ADA Dental Experience and Research Exchange™

The advancement of quality dental care starts with your practice. Join the first dental data registry open to all practice types to help analyze and improve patient outcomes.

KEEPING YOU INFORMED ABOUT THE U.S. DENTAL CARE SYSTEM

ADA Health Policy Institute

The Health Policy Institute (HPI) is a thought leader and trusted source for critical policy knowledge related to the U.S. dental care system. HPI achieves this by generating, synthesizing, and disseminating innovative research on a variety of topics that are relevant to policy makers, health care advocates, and providers. The key issues that HPI focuses on include health policy reform, access to dental care, the dental workforce, dental care utilization and benefits, dental education, and oral health outcomes.

Get involved! Join HPI's Economic Outlook and Emerging Issues panel and help HPI take the pulse of dental practices by completing one short survey each month.

Enroll on [ADA.org/HPI](https://ada.org/HPI) hpi@ada.org

HPI Consulting — Data-Driven Expertise to Power Your Business Forward

As a service to the dental industry, HPI Consulting helps organizations make sense of the new dental economy and better prepare for a future of “new normals”. Our team of research experts collects and analyzes proprietary dental industry information, providing personalized consultation at all points, to help your organization navigate through the industry’s uncharted COVID-19 recovery journey. HPI Consulting offers a number of customizable solutions to help guide your business:

- Custom Research and Datasets
- Speaking Engagements and Virtual Events
- Custom Surveys and Samples

ADVOCATING FOR YOU WITH ONE VOICE

ADA's advocacy efforts – backed by the strength of our 159,000+ members – bring real change on issues that impact you, your patients and your practice.

Access to Care

We're working to address health equity issues and inadequacies within safety net programs like Medicaid to help ensure patients can access the dental care they need.

Dental Insurance Reform

We hear you – dental insurance, coding and contracts can be challenging and can limit options for your patients. That's why we're working with legislators to pass laws to make insurance companies more accountable and limit their interference in the dentist-patient relationship.

Student Loan Reform

The average student debt of new dental school graduates is \$293,900. We're continuing to advocate for several student loan reform bills to help address these alarming levels of student debt so new dentists can focus on their financial futures.

State and National Advocacy Efforts

ADA's support helped pass Mass. Question #2, requiring dental insurers to spend at least 83% of their premium revenue on dental care. We continue to work with our state and local dental societies, legislatures and other stakeholders to advance policies that matter to you and your patients.

Learn about ongoing advocacy initiatives and find ways to get involved at

[ADA.org/advocacy](https://www.ada.org/advocacy)

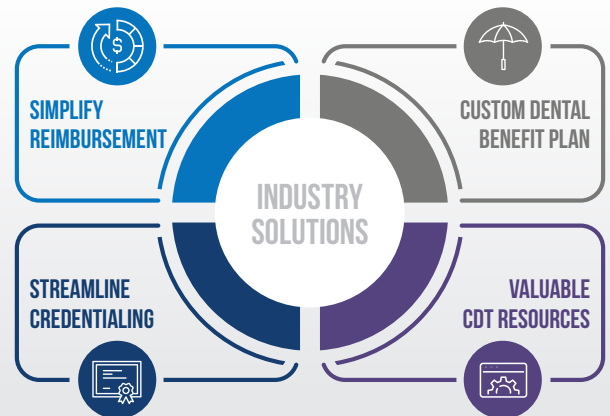

PRIORITIZE PATIENT CARE WITH DENTAL INSURANCE SOLUTIONS

Take advantage of ready-to-use dental insurance solutions and advocacy wins on your behalf that hold dental insurance companies accountable so you can focus on your patients.

[ADA.org/dentalinsurance](https://ada.org/dentalinsurance)

SAVE TIME AND GET ANSWERS ON DENTAL INSURANCE ISSUES

Check out the ADA Third Party Payer Concierge™ for one-on-one assistance with your dental insurance challenges. This free service is available exclusively for members.

Create your own in-office plan with Bento, simplify paperwork with the ADA® credentialing service and learn about CDT.

ADA PUBLICATIONS GROW, LEARN AND THRIVE

Stay informed and be better prepared for success with ADA print and digital publications — available exclusively to ADA members. Whether you want the latest news, cutting edge clinical developments, practice management advice or connecting with peers on their journeys in dentistry, you can count on ADA as your trusted resource.

EXCLUSIVE SAVINGS FOR YOUR PRACTICE AND HOME

ADA
Member AdvantageSM
✓RESEARCHED ✓PROVEN ✓ENDORSED

ADA Visa Business Credit Card

Earn points faster where your practice spends the most. Get 2x points at dental supply providers¹ with the ADA® Visa® Business Rewards Card. Simplify expense management and enjoy the rewards — for gift cards, travel and more. You can also earn up to 50,000 BONUS POINTS in the first year!¹

Credit Card Processing

Best Card provides credit card processing solutions for credit card payments processed in person, online, and over the phone. Thousands of dentists save an average of \$5,516 per year on credit card processing fees.

Sustainable Vehicles

Volvo Cars is proud to offer ADA members \$1,000² off the purchase or lease of any vehicle! Committed to becoming a fully electric car company by 2030, Volvo Cars is one of the world's premier automotive brands and a leader in safety and sustainability.

Waiting Room TV

ADA TV is a user-friendly, high-tech entertainment and marketing system that empowers a dental practice to customize and stream content that will educate, entertain, and promote your services to patients on the TV located in your reception area. ADA Members save over \$900 in setup and subscription fees.

Mortgages

Laurel Road's simplified online mortgage platform helps you close fast and passes savings on to you. With a range of home financing options and low rates, their mortgages are designed to fit the needs of dentists like you. ADA Members can receive a 0.25% rate discount³ and up to 95% financing⁴ from Laurel Road!

Branded Gear

Market your practice on the right logo'd products. Threadfellows is proud to offer a curated collection of gear ranging from jackets and water bottles to scrubs and fleece; all chosen to elevate your brand. ADA Members get 10% off, free logo set up, free decoration and free ground shipping.

See a complete list of our endorsed products and services at adamemberadvantage.com

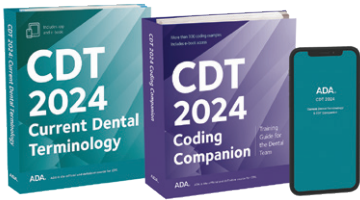

¹ Rewards points are earned with your ADA Visa credit card for eligible net purchases (net purchases are purchases minus credits and returns). Some restrictions apply. Refer to the Program Rules at advisa.com/faqs for additional information. The creditor and issuer of the ADA Visa Business Rewards Card is U.S. Bank National Association, pursuant to a license from Visa U.S.A. Inc. ©2023 U.S. Bank. ²Restrictions apply. See [ADA.org/volvo](https://ada.org/volvo) for details. For active members of the American Dental Association with an address in a U.S. state. ³The interest rate discount of 0.25% is offered for borrowers that are an active ADA member at the time of closing. This 0.25% interest rate discount cannot be combined with other offers. For Fixed-rate mortgages, the 0.25% rate discount is a permanent interest rate reduction that will be reflected in the Promissory Note interest rate. For adjustable-rate mortgages, the 0.25% rate discount will apply to the initial Fixed interest rate period and will be reflected in the maximum amount the interest rate can increase over the term of the loan, subject to the minimum interest rate that may be charged per the terms of the Promissory Note. ⁴95% financing is only available to interns, residents, fellows, doctors, clinical professors, researchers, or managing physicians with a current license and a degree of Doctor of Medicine in Dentistry or Doctor of Dental Medicine (DMD), Doctor of Dental Surgery (DDS). Only available when purchasing or refinancing with no cash out on a primary residence and loan amount does not exceed \$750,000. Retired dentists are not eligible. Additional conditions and restrictions may apply.

How Sweet It Is! Diabetes Mellitus, Dental Considerations and Patient Care Planning

This program will provide participants with an overview of diabetes mellitus, the arsenal of medications used in its treatment and the impact of both the disease and its treatment on dental therapy. Using case scenarios, special emphasis will be placed on the complex interplay between diabetes and the oral-systemic connection, as well as developing patient management strategies essential for successful treatment planning and proper care of our diabetic patients.

Sedation and Medical Emergencies in Children: Part 1

Hours are spent training and practicing emergency procedures for adults, but totally ignored is a large percentage patient population — children. Emergencies don't only happen in sedated patients; they can occur in children at any time. By understanding the unique physiology and anatomy of the pediatric patient, prevention of an emergency is essential to emergency care.
