The **DENTAL FLEX FACE SHIELD** was born out of necessity for the need for proper dental PPE. Working with input from respected dental professionals, we addressed the struggles with the current available face shields on the market. The Dental Flex Face Shield was tailored to be affordable, universal fitting, fully cleanable, and work with 99% of loupes, magnifiers, and eyewear.

Included in the box:

- 1 - PVC Headpiece with rubber comfort cushion
  - 1 - Top Protective Visor
  - 2 - 10" Tall Protective Face Shields
  - 1 - Rubber Tension Strap
- Simple assembly required with included instruction sheet.

Product Specifications:

- Projection - 3"
- .020 PETG cleanable Face Shield
- Recyclable
- Made in the USA
