

5 Benefits of Being an IDA Member

- Every other week you will receive a copy of our newsletter, *IDA Today*, in your inboxes. This bi-weekly communication informs members of pertinent information relating to dentistry in Iowa and includes topics such as Iowa Dental Board renewal requirement updates, compliance issues, legislative challenges and success and communications from the ADA.
- As a part of our strategic plan, IDA is dedicated to advocating for you with a strong and organized voice to enhance the support of the dentistry in the Iowa legislature. With a professional lobbyist working on your behalf, we keep the voice of Iowa's dentists heard among legislators.
- IDA's leadership is accessible to all members. An IDA Trustee and the IDA Executive Director attend every local district dental society meeting. Allowing for face time provides members with the opportunity to express questions, concerns and comments. IDA continually strives to serve its members. The ability to easily communicate directly with leadership remains a priority for the IDA.
- As a Tripartite member of the ADA, IDA and your local district dental society, you are included in the ADA's Find a Dentist search tool, which is a wonderful resource for patients looking for a dentist.
- IDA's members receive a significant discount on registration for the Annual Session. In 2019, over 32 CEUs will be offered along with social events and the chance to check out the latest products and services in the exhibit hall. IDA has a dedicated committee of members advising us on the speakers and courses you want.
