9-Noon CE Program
Noon Lunch & Membership Meeting

The Impact of HPV Vaccinations – Oral Health at the Center (3 CE Credits)
Presented by Jacqueline Miller, DDS, MS, MPH, Missouri State Dental Director

Dr. Miller was named the MO State Dental Director in August 2022. She practiced orthodontics for nearly 30 years in Washington, MO. She has served in multiple leadership positions in the American Association of Orthodontists (AAO) and was the first woman to hold the office of President of the Midwestern Society of Orthodontists (MSO). She has an extensive career of leadership, advocacy for dentistry and volunteerism both in MO and abroad. Dr. Miller has made 25 dental mission trips and participated in Give Kids a Smile and MOMOM. In 2016, she received the AAO Humanitarian Award as well as the Early E. Shepard Distinguished Service award from MSO. As the MO State Dental Director, Dr. Miller is promoting an increase in the Preventive Services Program, which provides varnish applications, dental screenings, and education and referrals for thousands of MO children. The Office of Dental Health provides education about the relationship between oral health and overall health as well as the prevention of dental disease. Dr. Miller is working for all Missourians to experience better oral health. Dr. Miller graduated with distinction from the UMKC SOD and received a Master of Science and Certificate in Orthodontics at the University of Nebraska Medical Center College of Dentistry. In July 2022, she earned her Master of Public Health degree from A.T. Still University of Health Sciences.

Course Objectives:

- Raise awareness of the importance of the HPV vaccinations to prevent oral cancer.
- Teach the dental team how to educate patients on the importance of the HPV vaccination series.
- Increase awareness of the program utilized in New Jersey to boost HPV vaccination rates that can be utilized in Missouri and the implementation in Missouri dental clinics.
