

# Apply and pay the contactless way.

To support all the ways you provide care, CareCredit's Custom Link is an all-inclusive, online solution where patients and clients can:

**Learn** how CareCredit can help them fit care into their monthly budgets.\*

**Apply** for the CareCredit credit card from their own device, get a decision within seconds and, if approved, use their account the same day.

**Pay** your location for services online using their CareCredit credit card.\*\*

*Customized with your location's name*

*Easy navigation for patients and clients*

## Your custom link comes in a variety of formats, each associated with your CareCredit merchant ID number.

Choose the customized option (or options) that work best for your location:

**URL for direct communications** – including emails, text messages, statements, estimates and social media posts – to remind patients and clients of financing options.

**QR code on signage** to enable patients and clients to scan at your location from their mobile device.

**Banner or button on your website** to allow patients and clients to apply and pay\*\* remotely.

**Download your custom link now.**

It takes less than a minute.

 **CareCredit**<sup>®</sup>  
Making care possible...today.

## Access your custom link today to begin capitalizing on these benefits:

**Contactless applications and online payment.** Applying and paying online eliminates the need for passing paper forms or a card back and forth.\*\*

**All-in-one convenience from anywhere.** Your patients and clients can access financing whether they're inside your location, outside waiting or at home.

**More freedom for team members.** Your team can still help your patients and clients meet their financial needs without taking time away from care-focused conversations.

**Insights on who's ready with financing.** Since your custom link is associated with your CareCredit merchant ID number, you can view which patients and clients have applied, been approved and have available credit.
