Working together for a healthier future.

Dear Dental Professional,

Another week has passed and the world continues to change around us. We will continue to do our very best to provide you with relevant, timely information that can help support you as you plan for your practice. Some of you may be preparing to reopen; some of you may already be seeing patients and some of you may not know when you will be back in the office. Regardless of your situation, we are all **working together for a healthier future**.

Colgate Ordering Updates:

Advanced Care Plan Customers: Reminder that we suspended automatic shipments in mid March. To resume shipments please contact your local Oral Care Consultant, the Colgate Call Center (1-800-226-5428) or email us at ColgateService@colpal.com.

We are also pleased to announce that production of **imprinted toothbrushes will recommence on 6/1/20**. If your office is ready to resume shipments please contact us so we can reinstate the offices' shipments.
