

Implant Biological Width and Treatment Considerations to Protect It

Dr. Sean Healy

2 CE

Bio: Dr. Sean Healy was awarded his DDS degree by Baylor College of Dentistry in 1999, and he graduated with a specialty in oral surgery from the University of Texas in 2006. He has been in private practice since then, treating patients in the Santa Fe community.

Course Description:

Baffled by implant complications? Effective understanding of biologic width around implants will enable better outcomes and long-term success. Learn about treatment planning and maintenance considerations.

Learning Objectives:

- Be able to identify what implant biologic width is
- Be able to identify the importance of implant biologic width
- Identify key factors in the treatment planning of implants

Payment: Make payable to NMDA: U.S. CURRENCY, CHECK, MONEY ORDER, MASTERCARD, VISA, or AMERICAN EXPRESS. In the event that a credit card is officially denied use, please supply alternative credit card information within 24 hours to avoid having tickets returned to inventory.

Cancellation/Refund Policy: No refunds for this event.

CE Class Credits: NMDA is an ADA CERP recognized provider. CE courses, provided by NMDA, are recognized by the New Mexico Board of Dental Health, other state licensing bodies, and the Academy of General Dentistry (AGD). In New Mexico, CE courses must be “technical or scientific, as relates to clinical care” to qualify for relicensure. Courses are designated “technical and/or scientific” or “nontechnical.” CE requirements differ from state to state, so please check with your state for specific requirements. AGD course codes and CE credit hours are shown on each course synopsis. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

Course Disclaimer: NMDA makes every effort to present high-caliber clinicians in their respective areas of expertise. The presentations of the speakers, in no way, implies NMDA’s endorsement of any product, technique, or service presented in the course. NMDA specifically disclaims responsibility for any material presented. Unless otherwise noted the speakers in this program have not disclosed any relationships that would create a “conflict of interest.”

CE Documentation/Proof of Attendance: You will be directed to answer two questions for each presentation as proof of attendance. When you have submitted your answers, a certificate of attendance will be emailed to you.

Contact Info: NMDA, Susan Pate, spate@nmdental.org or 505.294.1368.
