

Engagement Opportunities

Dentists can have a powerful impact on health care policy in Oregon by participating and voicing your expert opinions. Below are a few current opportunities. **If interested in serving, please reach out to ODA Government Affairs Director, Jen Lewis-Goff at jlewis-goff@oregondental.org for more information and assistance in applying.**

Denture Technology Subject Matter Experts

The Health Licensing Office (HLO) is seeking licensed Oregon denturists and dentists interested in acting as subject matter experts on the Oregon Board of Denture Technology, which oversees the practice of denturists. The Board currently has two dentist vacancies, as well as two public member vacancies. The term for each position is three years
