An appeal shall be conducted in accordance with the corporation's Member Dentist Rules and Regulations (which, in the absence of separate Rules and Regulations being adopted by this corporation, shall be deemed to be the same as the Member Dentist Rules and Regulations of Delta Dental of Washington).

ARTICLE II

MEMBERSHIP MEETINGS

SECTION 1. ANNUAL MEETINGS.

An annual meeting of the members of the corporation shall be held on the second Friday in November and at a time designated by the Board of Directors. If the Board of Directors

determines that for good cause the meeting cannot be held on the second Friday in November, the meeting shall be held as soon thereafter as practicable. Preference should be given to Friday meetings whenever possible. The agenda for the annual meeting shall be set by the Board of Directors; provided that if, no later than ninety (90) days prior to the second Friday in November, a written petition signed by at least ten percent (10%) of the members shall have been delivered to the Secretary requesting the addition to the agenda of specific items of business or items for discussion, then such items shall also be included on the agenda. No item of business shall be considered or approved during an annual meeting unless it was placed on the agenda by the Board of Directors or by a duly filed member petition.

SECTION 2. SPECIAL MEETINGS.

Special meetings of the members of the corporation may be called either: by a vote of a majority of the Board of Directors; or by delivery to the Secretary of a petition signed by at least ten percent (10%) of the members of the corporation, specifying with particularity the item(s) of business or item(s) to be discussed at the meeting. The Secretary shall give notice of the special meeting within thirty (30) days after a call by the Board of Directors or the delivery of a duly filed petition to the Secretary.

SECTION 3. NOTICE AND CONDUCT OF MEETINGS

Notice, in the form of a record, in a tangible medium, or in an electronic transmission, stating the date, time and place of each annual or special meeting shall be given not less than thirty (30) nor more than fifty (50) days in advance by the Secretary, to each member of record and in good standing on the date of such notice. The required time period shall be computed by including the day on which notice is sent and excluding the day on which the meeting is to be held. The notice shall include an agenda that lists the items of business to be conducted or items to be discussed at the meeting and shall be accompanied by materials pertinent to the noticed meeting, such as biographical information of director candidates.

Annual and special meetings may be held virtually, in-person or a combination thereof, as designated by the Board of Directors. The venue for any in-person meeting shall be at the principal place of business of the corporation, or some other convenient location and shall be large enough to accommodate at least two (2) times the largest number of members who physically attended an annual meeting in the preceding two years. In the event that a meeting is anticipated to draw larger numbers of in-person participants, the corporation will make appropriate accommodations.

Without limiting or being limited by the foregoing provisions, the corporation shall at all times have the maximum flexibility that may be permitted or allowed under the applicable corporate laws (as they may be amended from time to time) with respect to: giving notices to members by electronic mail or other form of electronic transmission, except with respect to members who have objected in writing to receipt of electronic notices; posting of meeting notices and materials on an electronic network; and conducting meetings at a physical location while also allowing member participation by remote communication and remote electronic voting, or conducting virtual meetings that are entirely comprised of remote participation and voting, with no specified physical location.

Each member shall be entitled to invite up to two business related guests (e.g., a legal representative, governance advisor or office manager) to each annual and special meeting, in addition to a single parliamentarian to advise the entire membership, in each case subject to such reasonable advance notice requirements and implementing rules as the Board of Directors may adopt. No news media will be permitted in annual or special meetings. If the meetings are recorded by the corporation, such recording will be made available electronically to the members within fifteen (15) business days after the meeting.

Meetings of the members of the corporation shall be governed by parliamentary procedure as set forth in the current edition of Robert's Rules of Order.

SECTION 4. QUORUM, MANNER OF ACTING, AND VOTING.

Ten percent (10%) of the members in good standing of the corporation of record on the date of notice of the meeting shall constitute a quorum at an annual or a special meeting of the members, which may be satisfied by physical attendance at the meeting, by any permitted form of remote electronic participation, or by proxy.

A majority of the votes entitled to be cast on a matter (other than elections of Member Directors) to be voted upon by the members present at a meeting (either by physical presence, or by participating remotely by permitted electronic means, or by proxy) at which a quorum is present shall be necessary for the adoption thereof unless a greater proportion is required by law or by these Bylaws. Notwithstanding the foregoing, if the Governance and Nominating Committee (the "GNC") nominates only one candidate, or more than one candidate, to stand for election to a Member Director seat on the Board of Directors, the outcome of the election will be determined based on either majority voting principles, or plurality voting principles, respectively.

Each member shall be entitled to one (1) vote on each matter submitted to a vote of the membership at an annual or special meeting. Cumulative voting shall not be allowed. Members may vote by paper or electronic proxy, and the corporation shall send a proxy form with the notice of meeting that permits a member to designate a member of the Board or another member of the corporation of the member's choosing as proxy for all or limited purposes.

ARTICLE III

MEMBER ADVISORY PANEL AND MEMBER NOMINATING PANEL

SECTION 1. COMPOSITION OF MAP. There shall be a Member Advisory Panel (the "MAP") consisting of at least ten (10) and up to eighteen (18) members, up to fifteen (15) of whom shall be members in good standing of the corporation from time to time appointed on an at-large basis and replaced by the Board of Directors in the manner provided below, and three (3) of whom shall be Member Directors appointed from time to time by the Board of Directors. At-large members shall be appointed for three-year terms (subject to earlier removal by the Board of Directors) but may not serve more than two (2) full three-year terms consecutively. The Member Advisory Panel of Delta Dental of Washington is being phased out contemporaneously with the adoption of these Amended and Restated Bylaws, and its members as it was composed immediately prior to the adoption hereof shall be the initial members of this corporation's MAP,

with the same remaining terms of service. No more than four (4) new members will be seated on the MAP in any calendar year through 2023, after which no more than five (5) new members will be seated on the MAP in any calendar year. Notwithstanding the foregoing, new members in excess of the annual member addition limits described in the preceding sentence shall be seated in order to maintain the minimum number of MAP members specified in this section.

- A. The primary responsibilities of the MAP will include identifying and recommending to the Member Nominating Panel potential candidates for nomination to be elected as Member Directors; communicating with local dental societies and others in the dental community to promote the exchange of information and ideas between member dentists and the corporation; and, to the extent requested by the Board Chair or President and CEO, consulting with and advising the Board of Directors with respect to the formulation of policies relating to dental procedures, claims processing and adjudication, relations with the dental profession and other topics of interest. The Board of Directors shall take the suggestions, feedback and concerns of the MAP under advisement and shall provide feedback to the MAP regarding the suggestions, feedback and concerns. The MAP shall not be deemed to be a committee or other organ of the Board of Directors; and shall have no power or authority, delegated or otherwise, to make any decisions, take any actions or incur any obligations on behalf of the corporation.
- B. The MAP's activities shall be overseen and managed by a MAP Chair, who shall preside at all meetings of the MAP and set the agenda for MAP meetings in coordination with the Board Chair and the President and CEO, after considering any input received from other MAP members.. The position of MAP Chair will rotate every two years among MAP members, and a Member Director of the corporation shall be allowed to serve as MAP Chair no more frequently than every other chairmanship. The MAP Chair will be selected by consensus of the incumbent MAP Chair, the Board Chair and the President and CEO. The MAP will also periodically recommend two candidates to become MAP Vice Chair, who will except in extraordinary circumstances be expected to be selected and to serve as the MAP Chair upon expiration of the term of the predecessor MAP Chair. The final selection of the MAP Vice Chair will also be made by consensus of the incumbent MAP Chair, the Board Chair and the President and CEO. In the event a sitting MAP Vice Chair declines or is otherwise unable to succeed to the office of MAP Chair, the MAP shall again recommend two candidates, from which a selection will be made by consensus of the incumbent MAP Chair, the Board Chair and the President and CEO.
- C. The MAP shall meet in person or by an electronic equivalent at least three (3) times each year, on such dates and at such times and locations as may be designated by the Board of Directors or the Board Chair or the President and CEO. The corporation's Board Chair, President and CEO, and other Member Directors shall be permitted to attend and offer views in meetings of the MAP. Minutes of the meetings of the MAP shall be prepared describing the general topics discussed (but not the views expressed by particular participants in the meetings), except for portions of such meetings that are conducted in executive session or otherwise warrant confidential treatment. A general summary of the topics discussed in the meeting minutes shall also be prepared, and after the minutes and the summary have been approved by each of the MAP Chair, the Board Chair and the

President and CEO, the summary shall be made available electronically for viewing by the members.

SECTION 2. MEMBER NOMINATING PANEL. There shall also be established annually a four (4)-person Member Nominating Panel (the “MNP”), consisting of: two (2) of the Member Directors who are then sitting on the MAP and are from time to time appointed by the Board of Directors to serve on the MNP; and two (2) other members of the corporation who have been selected from time to time to serve staggered three-year terms on the MNP by consensus among the state and/or component dental associations in Washington state (“Organized Dentistry”) based on such members having previous relevant experience in corporate governance matters (such as experience serving on the MAP, officer or board service in Organized Dentistry, or corporate board experience beyond their own dental practices), and their willingness to serve on the MNP for a three (3)-year term. Appointments to fill vacancies and compose the MNP for each calendar year shall be completed by November 1 of the preceding year. The members of the MNP shall by majority vote select a chairperson, who shall have responsibility to organize and propose scheduling for the MNP’s activities as described below, and to serve as chair of all meetings of the MNP, until a replacement chairperson is selected by the MNP. The Board Chair, the President and CEO and the MAP Chair shall each be allowed to attend meetings of the MNP as observers.

- A. The MNP shall annually solicit and consider input from the MAP and the GNC as to needs or desired goals to be achieved or pursued within the corporation’s governance structures (for example, needs or goals as to specific capabilities or experience of directors, or as to directors’ age, race, ethnicity, gender, specialty or location diversity), and as to the suitability of potential candidates to join the MAP or the Board of Directors. The MNP will also annually solicit and consider input from the MAP Chair, the Board Chair, the President and CEO, Organized Dentistry and other members of the corporation as to potential candidates for appointment to the MAP or election as Member Directors.
- B. Based on such input, and after evaluating any candidates so identified, the MNP shall by the affirmative vote of at least three (3) of its four (4) members annually recommend:
 - (1) A slate of candidates to fill any upcoming or existing vacancies in the MAP, which slate shall be submitted to the MAP for a vote as to whether to recommend the full slate (or any part thereof) for approval by the Board of Directors in making its appointments to the MAP. Following approval by the MAP, the Board of Directors shall then vote as to whether to approve the full slate (or any part thereof) recommended by the MNP, in which case the recommended candidates so approved shall be deemed appointed to fill the upcoming vacancies in the MAP. If either the full MAP or the Board of Directors fails to approve a candidate or candidates recommended by the MNP, then the MNP will be charged with identifying, evaluating and recommending another candidate or candidates, until both the full MAP and the Board of Directors approve that candidate or those candidates to fill any remaining vacancies.
 - (2) A slate of at least two (2) candidates for each Member Director seat on the Board of Directors as to which the MNP has been notified by the GNC that there will be

no incumbent Member Director standing for re-election. Such slate shall be submitted to the GNC, no later than June 1 of each year in which a slate is required to be recommended, to enable the GNC to perform its responsibilities relative to nomination of Member Director candidates. If either the GNC or the Board of Directors fails to approve some or all of the candidates on the slate recommended by the MNP, then the MNP will be charged with identifying, evaluating and recommending another slate of candidates (which may include a previously slated candidate who did not fail to achieve such approval), until both the GNC and the Board of Directors have approved at least one candidate to fill each remaining vacancy. In the event that one or more of the candidates recommended by the MNP fail to be approved by the GNC or the Board of Directors, the body or bodies that fail to approve the candidate(s) shall provide the MNP an explanation of the nature of the reasons why each such candidate was not approved.

- C. The presence or participation of all four (4) of the members of the MNP shall be required for it to make decisions or otherwise conduct any of its responsibilities. The corporation's management and staff who are familiar with the corporation's membership and network matters shall be represented in all MNP meetings so that they can effectively assist the MNP in fulfilling its responsibilities.

ARTICLE IV

BOARD OF DIRECTORS

SECTION 1. BOARD OF DIRECTORS.

- A. **General Powers.** The affairs of the corporation shall be managed by its Board of Directors. In no event may any amendment to these Bylaws limit or impinge upon the exclusive authority and discretion of the Board of Directors to control substantive decisions concerning the operations, strategies and other non-profit or business activities of the corporation. Notwithstanding the foregoing, in no event shall the preceding sentence be construed to empower the Board of Directors or the Independent Directors to diminish, limit, impinge upon or interfere with the rights of the members to participate in the governance of the corporation as and to the extent specified in Article I, II, III, X, XI or XIV of these Bylaws, or in any of the following subsections of Article IV.1 of these Bylaws: A, B, C.1, C.2, C.3, D, G, H, K, L.2.a, L.2.b or N.

- B. **Size, Composition, Qualifications, Terms, Nomination and Election.**

- (1) **Size and Composition.** The Board of Directors shall consist of at least nine (9) but no more than thirteen (13) Directors. The number of Directors may at any time be increased or decreased within this range by the Board of Directors, but no decrease shall have the effect of shortening the term of any incumbent director. Independent Directors shall at all times comprise a majority of incumbent Directors.

- (2) **Qualifications.** The Board of Directors shall comprise three different categories of Directors, with the following qualifications:
- (a) **Independent Directors.** Each Independent Director must, when elected and during his or her term of office: (i) satisfy the definition for an “independent” member of a governing body set forth in the instructions to Internal Revenue Service Form 990 (as it may be amended from time to time) or such other IRS definition of independence as Delta Dental Plans Association may from time to time reference in connection with its membership standards; (ii) not be the President and CEO or otherwise an employee of the Corporation; (iii) not be a member of the corporation; (iv) not have a financial interest in any dental care practice or organization currently or within the last five (5) years; and (v) not be employed by or affiliated with any vendor or entity principally engaged in the business of providing goods or services to dental practices or clinics.
 - (b) **Member Directors.** Each Member Director must, when elected and during his or her term of office, be a member of the corporation; and shall forfeit his or her office as a Director upon loss of his or her membership in the corporation under Section 3 of Article I of these Bylaws. Each non-incumbent Member Director candidate elected after January 1, 2021 must also have served a minimum of three (3) years on the MAP or have other suitable qualifications and be recommended by the MNP and the GNC as a Member Director candidate and be approved by the Board of Directors.
 - (c) **Ex Officio Director.** The President and CEO shall, by virtue of holding such office, automatically be a voting member of the Board of Directors for the period that he or she holds such office.
- (3) **Terms, Classifications, Term Limits.**
- (a) **Standard Terms.** Except in situations where shorter terms are expressly permitted under these Bylaws, each Independent Director and Member Director shall be elected to serve a term of three (3) years commencing at the next meeting of the Board of Directors following his or her election.
 - (b) **Classified Director Terms; Transitional Terms.** Independent Directors and Member Directors shall, as a group, be divided into three (3) classes and each such class shall be as equal in number to the others as possible. The Directors within each such class shall all serve terms that expire in the same year, and the expiration of the terms of Directors in the three (3) different classes shall occur in three (3) successive years. A Director elected to fill the seat of a Director whose term has expired or whose seat has become vacant for any reason shall be elected to the same class of Directors to which the predecessor belonged. The Board of Directors shall have authority to designate the members of such classes and their respective terms, and may from time to time prescribe terms of less than

three (3) years for particular Independent Directors or Member Director nominees to the extent it considers such shortened terms to be reasonably necessary to achieve or maintain the required balance of classified terms among the Directors; provided, that no action by the Board of Directors under this Section 1.B.3.b shall have the effect of shortening the term of any previously elected Independent Director or Member Director, except with the express consent of such Director. Any imbalance in the sizes of the Director classes as of the effective date of these Amended and Restated Bylaws shall be corrected at or prior to the 2021 annual meeting of members.

- (c) **Term Limits.** Each Independent Director and Member Director may serve no more than three (3) full terms, exclusive of time served to complete one term of a previous Director. Notwithstanding the foregoing, an Independent Director may be nominated and elected to an additional term of one, two or three years, and a Member Director may, only under exceptional circumstances, be nominated and elected for not more than an additional term of one-year, following the Director's completion of three (3) consecutive full terms if the GNC and the Board of Directors determine that such is necessary to assure continuity on the Board of Directors.

(4) **Nomination and Election of Directors.**

- (a) **Independent Directors.** The Independent Directors shall be nominated by a majority of the Independent Directors who are members of the GNC, and a nomination by such majority shall be deemed to be a nomination by such committee. The GNC shall submit its recommended slate of such nominees to the Board of Directors no later than the September 15 preceding the end of the term of the incumbent Independent Director(s) whose term is expiring. The Board of Directors shall, prior to or at the beginning of the Board of Directors' annual meeting, by a majority vote of those Independent Directors whose terms are not expiring, elect at least one nominee from the GNC's slate for the seat of each Independent Director whose term is then expiring (unless the Board of Directors has resolved to reduce the overall size of the Board of Directors under Article IV.1.B.1).
- (b) **Member Directors.** Candidates for election as Member Directors shall be nominated exclusively by the GNC which, after January 1, 2021, shall not nominate any non-incumbent candidates unless they have been recommended by the MNP in accordance with Article III.2.B.2. Nominations by members shall not be permitted except by way of recommendations from the MNP. The GNC shall submit its recommended slate of such nominees to the Board of Directors no later than the September 15 preceding the end of the term of the incumbent Member

Director(s) whose term is expiring. The GNC will provide input to facilitate the recommendations of the MNP under Article III.2.B. The GNC may nominate one or more candidates to stand for election to a particular seat. Upon receipt of proposed nominations from the GNC, the Board of Directors shall select at least one nominee from the GNC's slate for each Member Director seat that is or about to become vacant and open for election (unless the Board of Directors has resolved to reduce the overall size of the Board of Directors under Article IV.1.B.1, and shall then direct the Secretary of the corporation to submit such nominees to the members for election pursuant to Article II.4 of these Bylaws.

- (c) **President and CEO.** The President and CEO shall automatically be a voting member of the Board of Directors and is not required to be elected or reelected.

C. Powers and Duties of the Board of Directors. Subject to the limitations contained in the Articles of Incorporation, these Bylaws and the nonprofit corporation laws applicable to this corporation, all corporate powers shall be exercised by or under the authority of the Board of Directors including, but without limitation, the following:

- (1) To select and remove the President and CEO of the corporation, prescribe his/her authority and duties, and fix his/her compensation.
- (2) To nominate Independent Directors and Member Directors in the manner prescribed by Article IV.1.B.4 above.
- (3) To conduct, manage and control the property and business of the corporation, and to make such rules and regulations therefor, as they may deem best advised.
- (4) To fix the address of the principal office for the transaction of business of the corporation within the State of Washington and to fix and locate from time to time such subsidiary offices of the corporation as they may deem necessary or convenient for transaction of the affairs of the corporation.
- (5) To call membership meetings both regular and special, and to determine what matters shall be submitted to such meetings on behalf of the Board of Directors.
- (6) To borrow money and incur indebtedness for the purposes of the corporation, and to cause to be executed and delivered therefor in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations and other evidences of debt and security therefor.
- (7) To set fees for service on the Board of Directors and its committees in accordance with these Bylaws.

D. Vacancies. As soon as practical after a vacancy in a Member Director seat (including a vacancy occurring as a result of the failure of a candidate to receive a majority of the

votes cast in an uncontested election) on the Board of Directors occurs, the Board of Directors shall use its reasonable best efforts to have a successor duly elected. In such event, the GNC will request the MNP to generate recommendations to either fill the vacancy or leave the seat vacant for a limited term expiring at the next annual meeting of members or any earlier special meeting of members called for the purpose of electing one or more Member Directors; the Board shall have authority to appoint, to such a limited term, a replacement Member Director selected from candidates who have been recommended by both the MNP and the GNC. As soon as practical after a vacancy in an Independent Director seat on the Board of Directors, a majority of the Independent Directors shall use reasonable best efforts to elect a successor who has been recommended by a majority of the Independent Directors serving on the GNC, to serve the unexpired term of the Independent Director who previously occupied such seat.

- E. Meetings.** The annual meeting of the Board of Directors shall be held annually on a date and at a time and location determined by the Board of Directors, following the annual meeting of members.

Regular meetings of the Board of Directors shall be held according to a schedule approved in advance by the Directors, but not less than once per calendar quarter unless an affirmative vote of 75% of the Directors eliminates a meeting. No particular notice of a regular meeting is required.

Special meetings of the Board of Directors may be called by the Board Chair or by a majority vote of all directors. Notice of the date, time and place of any such special meeting shall be furnished to each Director not less than five (5) days before the time of the meeting. Meetings of the Board of Directors shall be held at the principal office of the corporation or at any other convenient place determined by the Board of Directors.

Regardless of how called, a consent in the form of a record of all of the members of the Board of Directors to the holding of a meeting of the Board of Directors filed with the minutes of the meeting shall constitute sufficient call and notice of any meeting of the Board of Directors. A meeting so held shall have the same force and effect as if the meeting were regularly called upon notice as herein above provided.

A Director will be subject to removal if he or she fails to attend at least seventy-five percent (75%) of the Board of Directors meetings during each calendar year, unless excused by the Board Chair at his or her discretion.

- F. Action by Consent in Lieu of Board Meeting.** Any action required or permitted to be taken by the Board of Directors may be taken without a meeting, if all members of the Board of Directors execute a consent in the form of a record that describes the action to be taken. Such consent shall be filed with the minutes of the proceedings of the Board of Directors. Such action approved by consent shall have the same force and effect as a unanimous vote of the directors at a meeting duly held upon proper notice and may be described as such in any record. An action taken by consent shall be effective when the last Director executes the consent, unless the consent specified a later effective date.

- G. Quorum, Manner of Acting and Voting.** A majority of the members of the Board of Directors shall constitute a quorum for the transaction of business of any meeting of the Board of Directors, except that a majority of the Independent Directors whose terms are not expiring shall constitute a quorum for the election of Independent Directors in accordance with these Bylaws.

The act of a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors unless the act of a greater number is required by law or by these Bylaws; provided, the approval of a majority of the Independent Directors whose terms are not expiring shall be required in order to elect an Independent Director in accordance with these Bylaws.

Each Director shall have one (1) vote, except that the Board Chair shall only vote in case of a tie. Proxies will not be allowed in voting in Board of Directors meetings or on unanimous consents.

- H. Fees and Compensation.** Directors, committee members, and officers of the corporation appointed pursuant to Article V, shall be entitled to receive reasonable compensation for their services in such capacities as well as reimbursement for reasonable expenses incurred in attending any meetings of the Board of Directors or committees thereof. Nothing in this section shall preclude a Director from serving the corporation in another capacity and receiving reasonable compensation therefor.
- I. Parliamentary Procedure.** Meetings of the Board of Directors shall be governed by parliamentary procedure as set forth in the current edition of Robert's Rules of Order.
- J. Reserves.** The Board of Directors may establish a revolving or reserve fund or funds to cover contingent obligations for paying for dental services and anticipated future needs of the corporation which are reasonably likely to occur. The Directors, in their discretion, shall invest or cause to be invested so much of such funds in securities or other investments consistent with applicable laws of the State of Washington as the Directors determine to be in the best interests of the corporation.
- K. Removal of Director.** At a meeting duly called, either a Member Director or an Independent Director of this corporation may be removed from office for cause by, respectively, a two-thirds (2/3) affirmative vote of the other Member Directors then serving on the Board of Directors or of the other Independent Directors then serving on the Board of Directors, and by a two-thirds (2/3) affirmative vote of all of the other Directors then serving. The call for such a meeting must state with reasonable specificity the cause(s) for removal. Cause for removal shall consist of a Director's willful or negligent disregard of the duties assigned to him or her by law, by these Bylaws, or by the Board of Directors; breach of fiduciary duty as a Director; repeated failures, even after warnings by the Board Chair or the President and CEO, to participate in a collegial and collaborative manner in the Board's deliberations; and failure to timely disclose to the Board of Directors any conflict of interest involving the director and the corporation or any action of the corporation. In addition, termination of the membership of a Member

Director pursuant to Article I shall also operate to remove him or her from office as a Member Director, without further action by the Board of Directors.

L. Standing and Special Committees.

- (1) **General.** Standing or special committees to facilitate the conduct and effectiveness of the Board of Directors, but not having or exercising the authority of the Board of Directors in the management of the corporation, may be established in such a manner as may be designated by a resolution adopted by a majority of the Directors present at a meeting at which a quorum is present. The Board of Directors shall appoint the members of any standing or special committee. Any member of such a committee may be removed by the Board of Directors whenever in its judgment the best interests of the corporation would be served by such removal.
- (2) **Standing Committees** shall include the Investment and Audit Committee (the “IAC”), the Governance and Nominating Committee (the “GNC”) and the Human Resources and Compensation Committee (the “HRCC”).
 - (a) **Investment and Audit Committee** shall assist the Board of Directors in fulfilling its oversight responsibilities relating to the integrity of the financial statements of the corporation, the corporation’s compliance with legal and regulatory requirements, the independence and qualifications of the independent auditor, and the performance of the corporation’s internal audit function and independent auditors. The IAC will be comprised of three or more non-management members as determined by the Board of Directors. IAC members may be removed by the Board of Directors at its discretion. A majority of the IAC shall consist of independent members who shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the IAC. No person who is a member dentist or has business dealings as a vendor or business partner of the company may be regarded as an independent member of the IAC. All members of the IAC shall have or obtain a sufficient familiarity with basic finance and accounting practices to allow them to discharge their responsibilities and at least one member shall be a financial expert. The IAC shall be directly responsible for the appointment, compensation and oversight of the accounting firm conducting the annual audit of the corporation and shall meet at least annually with the accounting firm and report its findings and recommendations to the Board of Directors.
 - (b) **Governance and Nominating Committee** shall be comprised of at least five (5) non-management members, including the Chair of the Board, as well as at least one of the other officers of the Board of Directors and such other additional directors as may be appointed by the Board of Directors. Independent Directors must comprise a majority of the GNC at any given time and the number of Member Directors on the GNC shall be one (1)

fewer than the number of Independent Directors on the GNC. Members of the GNC will be excluded from discussing and voting for their own nominations. The GNC (or the Independent Directors on the GNC) shall perform the functions described for it in Article IV.1.B.4 of these Bylaws and assist the Board of Directors by developing and recommending changes in the governance structure and processes that will improve board effectiveness. The intent is that a Member Director will serve as chair of the GNC at least every third chairperson term.

- (c) **Human Resources and Compensation Committee** shall be comprised of non-management members of the Board of Directors and shall assist the Board of Directors in fulfilling its oversight responsibilities by formulating policy recommendations in such areas as compensation and benefits as specifically referred to the HRCC by the Board of Directors.
