WSDA RETRO

Washington State Dental Association
is the only Retro group in the state
dedicated to the dental industry.

"WSDA Retro is an incredible
benefit for any member dentist
that pays workers' compensation
premiums to L&I. WSDA pays for
your professional support if you
have a claim, and we'll send you
a refund check when we are able
to reduce claim expenses, which
will be most years. This benefit
costs you nothing other than
your membership dues."

– Bracken Killpack
Executive Director, WSDA

BENEFITS & HIGHLIGHTS

What is Retro?

WSDA Retro is an association-sponsored workers' compensation Retrospective Rating (Retro) program for member dentists.

Exclusively available to WSDA members, WSDA Retro provides a no-cost, no-risk way for WSDA member dentists who own dental practices to earn refunds on their workers' compensation premiums paid to L&I.

Workplace incident or injury?

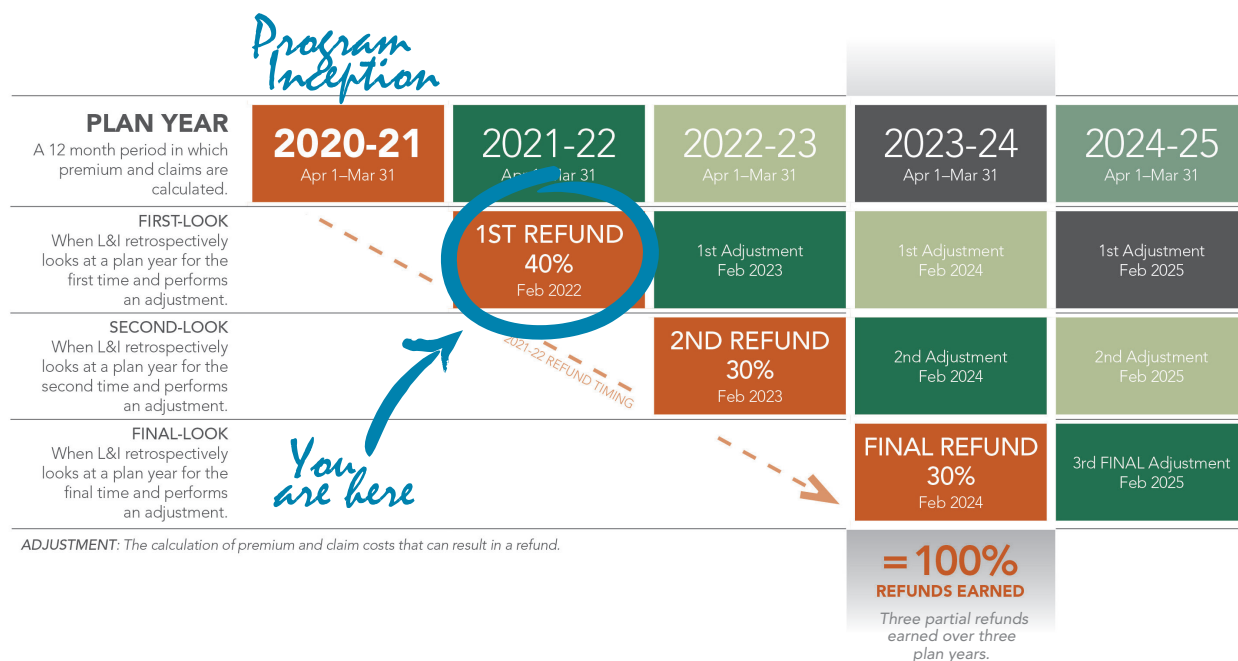

Contact ERNwest first.

Reporting incidents is very important, including documenting the string of events that lead to an incident. Report incidents immediately so that your claims manager is aware and can help guide you through the process. Call, email or go online to ernwest.com/report-an-incident.
