## MORNING SESSION

### ESTHETICS IN ACTION: CLINICAL TECHNIQUES, TEAM SKILLS & PRACTICE DEVELOPMENT STRATEGIES

Dr. Ross W. Nash & Debra Engelhardt-Nash operate the Nash Institute for Dental Learning – a post graduate teaching center focused on Cosmetic and Esthetics Procedures and Full Mouth Rehabilitations as well as a Dental Business School located in Huntersville, NC. Together, Dr. Nash and Ms. Engelhardt-Nash will discuss increasing effectiveness in treatment consultations and fee presentations.

#### PRESENTATION OBJECTIVES:

1. Learn how to introduce cosmetic possibilities to patients
2. Discover types of esthetic and cosmetic treatments offered to patients
3. Learn conservative clinical treatment techniques
4. Create a new patient experience that increases treatment acceptance for all care

Noon - 1:30 pm

## LUNCH

### INSTALLATION OF OFFICERS

1:30 pm - 4:00 pm

## AFTERNOON SESSION

### ESTHETICS IN ACTION: CONTINUED
