Welcome to the 2023 Florida Dental Convention! We’re pleased you have chosen to engage in professional development and networking at an event that is expected to be “out of this world!”

The Florida Dental Association will launch dentistry forward with this year’s incredible convention schedule full of educational content selected by 2023 Scientific Program Chair Dr. Kaycee Wilcox and the Scientific Program Taskforce. The clinical components and workshops of the convention will—as always—be complemented by exciting social events.

Start your mornings with keynote sessions, fill your days with courses and spend your nights having fun with colleagues and new friends. The motto of “Come for the CE, stay for the fun!” will certainly shine through this year. Following are several FDC2023 highlights:

- Friday Keynote, “Opportunity Rocks!” by Marvelless Mark with free pairs of drumsticks for the first 500 attendees.
- Exhibit Hall with more than 300 exhibitors that will host a Thursday cocktail reception (4-6 PM) and a Friday puppy cuddle break (3-5:45 PM).
- Thursday’s “LIVE! at FDC” party (8-11 PM) followed by a guitarist in Wreckers (10 PM-1 AM).
- Friday’s “Out of This World” party (7:30-10:30 PM) and The After Party (10 PM-1 AM).

While you’re at FDC2023, I encourage you to take advantage of all the opportunities to learn and laugh as you gravitate toward becoming a better dentist, hygienist, assistant or team member.

Let’s have a stellar FDC2023!

What if better care for patients starts with better care for dentists?

What if you could focus on being a dentist without having to be a small business owner too? What if the quality of your patient interactions were prioritized over the quantity?

At Walmart Health, we imagined a better healthcare model, and then we built it. We handle all the business administration so you can better care for your patients - and yourselves.

We’d like you to join us.

WH FL Dental PLLC, the dental provider to Walmart Health, is hiring Dentists to support our new Health Centers.

We offer great compensation packages, including base salary, annual incentive bonus, comprehensive benefit plans, 401(K) with employer match, license renewal fee and continuing education time and reimbursement, and more!

Help us make better healthcare a reality.

Black Triangle System

Custom-designed matrices enable black triangle closure in a permanent and less invasive manner than traditional treatments such as porcelain crowns or veneers. The system is designed to be predictable, aesthetically pleasing, and long-lasting.
YOU SUPPLIED THE EXPERTISE TO BUILD YOUR SUCCESSFUL PRACTICE. 
WE SUPPLY THE EXPERTISE TO MAKE YOUR TRANSITION SUCCESSFUL.

OPTIMIZE YOUR CE EARNING

Did you know you can earn more than 20 hours of CE credit at FDC? We want to make your CE-earning experience as simple as possible!

When you attend courses at FDC, we automatically provide CE verification, email CE certificates within 48 hours after the convention and report credit to CE Broker for all Florida-licensed attendees by 7/29. So relax and enjoy your courses knowing FDC will take care of the rest.

COURSE CODES MADE SIMPLE
- FDC courses are designated by a course code to specify the type of course and CE credit it is eligible for. See page 56.
- All courses coded as PM are eligible for practice management credit per the Florida Board of Dentistry. *
  *FS 466.0135(c)

AUTOMATIC VERIFICATION
- You must attend 50 of 60 minutes of a course to receive one hour of CE credit per the Florida Board of Dentistry.
- You will scan your badge upon entering and exiting each course to be awarded the credit appropriately.

CONVENIENT CE CERTIFICATES
- Your CE certificate will be emailed to you by July 3, or you can print a copy at the CE stations.
- CE stations are located on the classroom level 7 AM-5:30 PM on Thursday and Friday, and 7 AM-5 PM on Saturday.
- CE certificates will include all verified full-course attendance. Non-credit (NC courses) will be listed as zero hours.

SEAMLESS CE REPORTING
- All verified course attendance for Florida-licensed attendees, including full and partial credit, will be submitted to CE Broker by July 29.
- CE credit will not be reported for NC (non-credit) courses.

Most patients leave your practice without the treatment they need!

Want to treat the underlying causes of malocclusion without using braces?

» BREATHING AND MYOFUNCTIONAL DISORDERS are related to poor craniofacial growth and malocclusion, but dental practitioners have lacked simple and effective method for treating these disorders, especially in growing patients. MRC’s Myobrace® system meets this demand.

✓ INCREASE CLINIC REVENUE
   Minimal chair-side time means improved patient flow and higher clinic productivity
✓ ATTRACT MORE PATIENTS
   Offer an approach that more patients are demanding while keeping treatment in-house
✓ EASY IMPLEMENTATION
   Simple and effective treatment protocols using prefabricated appliances
✓ PACKAGED SYSTEM
   Treat orthodontic, breathing and myofunctional disorders in one integrated system

GENERAL INFORMATION

SHUTTLE-BUS SERVICE
Free remote parking for FDC2023 is provided at ESPN’s Wide World of Sports located at 700 S. Victory Way, Orlando, FL 34747. Free shuttle transportation to and from the Gaylord Palms is provided daily on a convenient schedule. See page 57. Note: allow ample time (at least one hour prior to course start) for parking and shuttle service. Refunds will not be given for courses missed due to parking or shuttle bus delays.

NEED HELP?
FDC committee members are on-site in seersucker jackets. They are available to answer any questions you have regarding directions or general FDC information. FDC staff is available to assist in the FDC office located in the Gainesville room.

EXHIBIT HALL ONLY REGISTRATION
The free Exhibit Hall Only registration is available for non-FDA member dentists, team members and their guests. The registration allows attendees to only access the Exhibit Hall. Exhibit Hall Only registrants may not take courses or attend events such as the LIVE! at FDC Party and the Out of This World Party. If an attendee wishes to take courses or attend events, they must pay to upgrade their registration by visiting the on-site registration desk. Prevailing rates apply.

GUEST REGISTRATION
Non-dental spouses, family and guests over the age of 18 will register as a “Guest.” Children ages 8 to 18 will register as a “Child.” Attendees registered as “Guest” may attend registered keynote sessions and courses, the Exhibit Hall and registered events such as the LIVE! at FDC Party and the Out of This World Party. Registered guests are unable to receive CE credit for any courses attended. Guests who want CE credit can pay to upgrade their registration to the appropriate professional category by visiting the on-site registration desk.

CHILD REGISTRATION
Children under eight years of age do not need to be registered. If a child will be attending an educational session, however, he or she must register as a “Child” (8-18) or “Guest” (19 + older) and also for the course. Children are only allowed in the Exhibit Hall if accompanied by a parent or guardian.

DESIGNATED EXHIBIT HALL STOLLER HOURS
Infant strollers and carriages are not allowed in the Exhibit Hall, unless medically necessary, at any other time than the designated stroller hours of 9-11 AM on Saturday, July 1.

BADGE PRINTING AND REPLACEMENT BADGES
Bring your barcoded email to the “Badge Printing” desk in City Hall Lobby to print your badge. If you do not have your barcoded email, bring your Photo ID to On-site Registration to have your badge printed. Badges are issued based on the registration category specified and are required for entry to all courses, the Exhibit Hall and events, including the LIVE! at FDC Party and the Out of This World Party. You must wear your badge and be scanned to enter any course.

If you are registered as “Exhibit Hall Only,” you will scan your barcoded email in the rotunda on the Exhibit Hall level to pick up your badge.

Lost or misplaced badges will only be reprinted once. A $10 fee will be applied per badge reprint. Badge corrections can be made for free by bringing the badge with the error to the on-site registration desk. The misprinted badge will not be returned.
REGISTRATION/COURSE CANCELLATIONS/REFUNDS
A CANCELLATION refers to any termination of a course, workshop, event or complete registration for FDC. No cancellation refunds for courses, workshops, events or complete registrations will be honored for any reason after the June 16, 2023 deadline. Refunds will not be given for no-shows, employee terminations, or sickness/COVID-19 related illnesses. Should you transfer from a higher fee course to a lower fee course on-site, the price difference will not be refunded.

TRANSFERS
A TRANSFER refers to the movement of an individual out of one course, workshop or event and into another course, workshop or event.

On-site transfers will not be allowed for any limited seating sessions (such as workshops). On-site transfers will be allowed for lecture courses if space permits. If an individual wishes to transfer into another session on-site, that individual must pay for the difference in cost of the new session. Course transfers can be made online or with a registration agent at On-site Registration in City Hall Lobby.

COURSE RECORDINGS
MP4 audio files of lecture course recordings are available for purchase. Professionally prepared, all presentations are unedited and verbatim. Recordings will be available for purchase at the meeting at Osceola Reg. 3. During the meeting, recordings are available at a discounted show price. Save money and purchase yours on-site! Unauthorized audio taping is strictly prohibited. See the Course Recording Purchase Form on page 68 for pricing.

CONTINUING EDUCATION CREDIT
CE verification is automatically provided for all attendees. To receive CE credit for course attendance, attendees must scan their badge upon entering and exiting a course. The system will then calculate the amount of time an attendee was present and award the credit appropriately. Per the Florida Board of Dentistry, in order to receive 1 hour of CE credit, attendees must be present in a course a minimum of 50 of the 60 minutes.

Attendees will be emailed their CE certificate automatically by July 3, 2023. Attendees can also obtain a printed CE certificate at any time after the end of the course. CE stations are located on the classroom level Thursday and Friday, and 7 AM-5 PM on Saturday. Partial course credit will not automatically be listed on CE certificates and will be added to certificates by July 29, 2023 and emailed to attendees.

All verified course attendance will be automatically submitted to CE Broker for Florida-licensed attendees no later than July 29, 2023. Your CE certificate will list all attended courses; however, credit will not be reported to CE Broker for non-credit (NC) courses. Verified course attendance for NC courses will be listed as zero hours on your certificate. Each state varies on what is accepted for CE and those courses can be self-reported after the event, should you organizing dental board accept those courses.

CE/ADA CERP
Florida dentists are required to complete a minimum of 30 hours of approved continuing education in dental-related subjects each biennium. Attendees can earn up to 20 credits at FDC.

The Florida Board of Dentistry (BOD) accepts up to three hours of credit biennially for practice-management courses that address: principles of ethical practice-management, substance abuse, effective communication with patients, time-management and burnout-prevention instruction. At FDC, these courses are coded “PM.” Dentists who have questions about whether the BOD will accept a particular course should visit the BOD website (http://floridasdentistry.gov/licensing/dentist/) or call 850.245.4474.

ADA CERP
The Florida Dental Association is approved as a continuing education provider by the Florida Board of Dentistry. The Florida Dental Association also is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider (floridadentalconvention.com) or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

COVID-19 DISCLAIMER
Preventive measures aimed at reducing the spread of COVID-19 will be in place at the FDC; however, it is not possible to fully eliminate the risk. All attendees and guests at the FDC voluntarily assume all risks of exposure to COVID-19. Refunds will not be given for sickness/COVID-19 related illnesses.

If you are experiencing any COVID-19 symptoms or are feeling unwell, please either return home or visit the FDC Paramedic Room. A paramedic is located in Sun Reg. 1 on the classroom level Thursday through Saturday from 7 AM to 5 PM.
COURSE SATISFACTION DISCLAIMER
Should you choose to register for a course outside the recommended audience, refunds will not be issued if you are dissatisfied with the course.

SCIENTIFIC PROGRAM DISCLAIMER
The FDA and the Conventions and Continuing Education Committee make every effort to present high-caliber speakers in their respective areas of expertise. The speakers’ presentations in no way imply endorsement of any product, technique or service presented during these presentations. The FDA specifically disclaims responsibility for any material presented. In addition, participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy.

WORKSHOP DISCLAIMER
Registrants may be required to bring instruments or other materials to workshops, or to attend a mandatory prerequisite lecture. In addition, it is the responsibility of each registrant to check the course description carefully for equipment needs, participant requirements or prerequisites.

For those attending workshops, please be aware of the potential risks associated with using new techniques and procedures without having fully attained a competency level to practice them.

EMAIL / MAILING POLICY
By registering for FDC2023, you authorize the FDA the right to add you to their email marketing list to receive convention updates for 2023 and subsequent years. You can opt-out at any time but will not receive pertinent information regarding your registration.

PHOTO RELEASE POLICY
By registering for FDC2023, you are authorizing the FDA the right to photograph you, your invitees and guests while attending courses or using common or public areas of the hotel and to use the photographs in all formats and media for any purpose, including for education, marketing and trade purposes. By registering, you release FDA from all claims arising out of the use of the photographs, including without limitation all claims for compensation, libel, invasion of privacy or violation of copyright ownership.

NON-SMOKING/NON-VAPING MEETING
In keeping with good health practices, the Florida Dental Convention has been officially designated as a “non-smoking and non-vaping” meeting.

EMOTIONAL SUPPORT ANIMALS
Under the Americans with Disability Act, ESAs are not given the same rights and exemptions as Service Animals and approval of ESAs in public areas and businesses are at the discretion of those entities. If prior approval was not given by FDC by June 26, attendees will be asked to remove the ESA from the event.

BLESSING, DR. TRACY

LEVEL ONE BOTULINUM TOXIN: HOW AND WHY TO INCORPORATE IT INTO YOUR DENTAL PRACTICE | W22
8 AM-5 PM | BOTULINUM TOXINS/DERMAL FILLERS | CE CREDITS: 8

AUDIENCE: DENTISTS, ASSISTANTS

REGISTRATION CATEGORY EARLY 4/14  REGULAR  ONSITE 6/16
DENTIST - FDA/ADA MEMBER $1,899 $1,999 $2,019
NON-MEMBER DENTIST $1,999 $2,009 $2,029
ASSISTANT* $189 $199 $219

This workshop will introduce botulinum toxin type A and focus on the cosmetic and therapeutic uses to provide comprehensive patient care and total facial aesthetics in the dental practice. The workshop will include a review of pertinent facial anatomy and muscle physiology, as well as botulinum toxin's mechanism of action. Specific areas of treatment will be explained and demonstrated. The integration of botulinum toxin in a dental environment will be discussed, from the patient consultation to the evaluation and diagnosis, and finally, to the treatment with before-and-after case presentations.

Detailed information will be provided concerning the safety and risk concerns when using botulinum toxin, along with the management and treatment of complications, dilution protocols, sterile injection techniques and proper placement for desired outcomes. During the workshop, attendees will gain valuable insight about on how to incorporate botulinum toxin into their dental practice. The potential for practice growth and profitability will be explored, as well as implementation with staff training and incorporation into treatment plans.

In the afternoon hands-on portion of the workshop, attendees will have the opportunity to diagnose, map and treat a model patient with one-on-one mentored instruction. Upon completion of the full-day workshop, attendees will have the confidence and skills to implement botulinum toxin treatments into their dental practice. A one-hour break for lunch will be provided during this course.

Attendance is limited to 20. *Paid team member learning is a co-learning experience with a paid doctor attendee.

Participant Requirements: Attendees must provide proof of current professional liability insurance two weeks prior to attend with the expiration date included. The Florida Dental Association (FDA) assumes no liability if a participant is refused coverage by an insurer for any reason or is unable to obtain materials for use in practice. Attendees must bring their own model patient. This is a teaching course so please advise your model patient that they must be available for approximately 3-4 hours in the afternoon. You and your team member may serve as patients. The FDA does not provide model patients.

BOISVERT, MS. SUE

PREVENTION OF MEDICAL ERRORS (REPEAT) | RM5-8
2-4 PM | STATE MANDATED | CE CREDITS: 2

AUDIENCE: DENTISTS, ASSISTANTS, HYGIENISTS

REGISTRATION CATEGORY EARLY 4/14  REGULAR  ONSITE 6/16
DENTIST - FDA/ADA MEMBER $69 $69 $79
NON-MEMBER DENTIST $138 $138 $158
TEAM MEMBER $69 $69 $79

This lecture will address basic patient safety strategies, Florida-specific requirements and common sources of dental risk and liability. The course will include dental closed claims data, case studies, audience participation and some humor. Just because it's mandatory doesn't mean we can't have some fun!

This course is a repeat of Ms. Boisvert's lecture (RM1-4) on Friday, June 30 from 2:30-4:30 p.m.

This lecture satisfies the Florida Board of Dentistry's continuing education requirement for medical errors.
